

What's our Line?

U3A Nunawading was actively involved in the launch of the Victorian Seniors Festival and U3A's Line Dancing Group was extremely privileged to be invited to participate on opening day Sunday 8 October 2017 at Federation Square. It was a huge weekend jam packed with an amazing program. We also participated in the City of Whitehorse's Spring Festival on Sunday 15 October 2017.

These events have created a wonderful opportunity for our line dancing class members to showcase their passion and love for this art. We were lucky to be invited to perform in front of an appreciative crowd. Our members love dancing, socialising and having fun and they show that you can dance at any age!

Only a year ago, some of our class members were worried whether they could dance. Some felt that

they had "two left feet" or were "too uncoordinated". Via these events they proved they could dance in the public eye and brave the dance floor. The feelings of anxiety, lack of coordination and awkwardness completely faded away as they gained confidence and broke through the fear!

So huge congratulations to all our line dancing crew who have worked so hard as well as a big thank you to their families who showed such support and encouragement as they were a part of the wonderful audience. Everyone contributed and this was a team effort!

We are proud of all your achievements. Once again, thank you all for making it such a great day. So dance now and dance often. See you on the dance floor!

President's Report

THANK you to everyone at U3A Nunawading who has contributed to making 2017 another successful

and enjoyable year for our members. Without these wonderful volunteers to run classes, look after member inquiries, hold social events and administer the organisation, we just wouldn't exist.

Successful volunteering means that you should get more out of the time you put into an organisation as a volunteer than the organisation gets out of you. The essence of U3A is the sharing of interests and skills, be they a specific interest you could share as a Class Leader, a technical skill such as with computers and audio visual equipment, administrative skills or just the ability to share your enthusiasm for the organisation by helping your fellow members on the front desk. As the old saying goes "the more you put in the more you get out".

If you have some time available and would like to get more involved by volunteering in some capacity at U3A please contact me at president@u3anunawading.org.au or leave a note in my pigeonhole at the Silver Grove office.

Seniors Week

You will see from the reports elsewhere in this newsletter, our members were very active participants in a range of community activities during this year's seniors' events, both locally and in the city. These events help to promote healthy, active ageing to the community at large and to

retirees and those about to retire to get involved and enjoy themselves in retirement.

Thank you to the coordinators, volunteers, demonstrators and performers who represented U3A Nunawading at Federation Square, Whitehorse Spring Festival and the Forest Hill Chase Shopping Centre. I hope you all enjoyed your time at these events – you are great ambassadors for our wonderful organisation.

New Community Hub

I am delighted to tell you that the plans for our new home on the former Nunawading Primary School site are nearing completion. Whitehorse Council have ensured that we have been consulted about our requirements during the planning phase and we look forward to commencing our 2020 year in what promises to be a wonderful facility.

Re-enroling for 2018

Instructions for how to re-enrol for next year are detailed on page 5. Courses will be published on our website and in the 2018 Course Guide from 13 November and enrolment will commence online and at the office on **Monday 27 November**. It is simplest to enrol online from home if you are connected to the internet and we will be happy to show you how if you inquire at the office beforehand.

The Membership Fee for 2018 is \$75 but there will be no fee for Computer Courses or Summer School, unless for a specific excursion.

Happy Holidays

Classes for this year will end on **Friday 24 November**, a week earlier than in previous years, so that there will be no classes held during enrolment.

To all members, I hope you have enjoyed your participation in U3A this year, and on behalf of the Committee of Management, I wish you a happy and relaxing break over the holidays and look forward to welcoming you back in 2018.

Live, Learn & Enjoy with U3A Nunawading

Valerie Donlon

On Wednesday 11 October about 18 members of U3A Nunawading's Choir attended Forest Hill Chase to sing their hearts out.

Course Administrator's Report

THANK you to all U3A Nunawading Class Leaders who have given of their time and knowledge during 2017. Some

are stepping down at the end of this year after generously contributing to the rich and varied program of classes we offer at Nunawading and a new group have offered their time and expertise to lead a class next year.

Enrolling for 2018 Courses

Please read the information on how to re-enrol on page 5 in this newsletter.

Select your courses carefully. There have been some changes from 2017.

Read the description, time, day and venue and take a note of the course code. Please make sure you do not select courses where one class time overlaps with another class you are selecting. It is not fair to Class Leaders to have members leaving the room before their class has ended.

Make sure you are aware of the Restricted Classes. Also where there is more than one class in a parent course such as Line Dancing or Zumba you are asked to only select one class. These classes are very popular and we try to make sure everyone has the opportunity to attend one of them. In Term 2, if there is space in these types of classes you may select to attend a second class.

Good luck with your enrolments and I hope you are accepted into at least one class of your choice.

ESL (English as a Second Language)

I expect you are aware that U3A holds ESL classes, which have proved to be very popular with our immigrant members. We are always in need of new ESL Leaders as we usually have more students than we have ESL Leaders available. If you are interested in teaching ESL, please leave your contact details at the office.

New Leader required

Computer Genealogy leader Maureen Francis, who has been leading this class for a number of years, has decided to retire. If there is anyone who may be interested in taking on this class please leave your details at the office.

Thanks

A special 'thank you' to the following Leaders who are not returning in 2018:

Garnet Edwards, Kerry Sole, Catherine Rowe, Maureen Francis, Liz Shave, Anne Roberts, Vivien Tang, Vivian Liu, Kam Lau, Ian Grandy and Marline McAllister.

Welcome to new leaders Vlad Soloweij, Cynthia Rees, Ying Zhao, Manuel Alexiou, Liz Bednall, Margaret Lawlor, Gillian Teo, Kim Brooks, Dieter Markworth and Tony Walther.

Fun and Games, Chat and Chew

In August 40 people
Gathered in the Seniors Hall
Come to try their skill or trust their luck
Or just to have a ball

Some played Scrabble with a fervour
Some new words were invented
The competition was fearless
Cheers when victory was scented

The snakes and ladders playmat
Was quite a monstrous size
Down giant snakes and up again
Away up to the skies

The golfers showed their varied skills
To hit that little ball
In little numbered boxes
Right across the hall

Old fashioned games were popular
With hookey, quoits and darts
The jigsaw fans were quite entrenched
Amongst lots of little parts

The bowling alley proved much fun
For those who had a try
Some strikes of ten pins were achieved
Balls down the lane did fly

Card gamers made a lot of noise
And had a lot of fun
Giggles, laughs and screeches too
When someone got a run

And then the scent of food came out
And much to please the eyes
With little cocktail salad rolls
And sausage rolls and pies

Lovely slices followed on
With tea and coffee poured
Chat and chew was had by all
And not one person bored

So if you didn't come this time
You missed out on some fun
Watch out for the next event
And for a ticket run!

HOW TO RE-ENROL FOR 2018

Enrolments open at 9am on Monday 27 November

You will be able to view courses being offered next year online at www.u3anunawading.com.au or by picking up a 2018 Course Guide at the office from Monday 13 November.

From **9.00am on Monday 27 November** you can choose to enrol online via our website or in person by coming into the Silver Grove office. If you would like the convenience of enrolling online from home, but aren't sure how to do it, come into the office any day before that date and a Committee Member on duty will show you how.

5 SIMPLE STEPS FOR RE-ENROLLING ONLINE

1. Go to **U3A Nunawading website** www.u3anunawading.com.au In the blue band at the top of the picture gallery on the right-hand side, click on the words **Click here for Member enrolments. Login** using your membership number or email address and password, which is the last four digits of your telephone number unless you have changed it.
2. Check your details by clicking on **View Member Details** on the left-hand side of the screen. If you wish to make a change go to **Edit Member Details**. Don't forget to SAVE after making any alterations.
3. Choose your Courses by clicking on **View or select Courses**. Initially you can select only THREE courses (Computer, Summer School and selecting to Volunteer are not included). This gives all members the opportunity of being accepted into at least one course of their choice. Once you have selected your course/s by ticking the relevant box, you MUST click the **Confirm Selection** button to save your choices. The three-class limit will be lifted after 8 December and you may go online again and make further selections.
4. Complete your enrolment by ticking the Agree to Terms and Conditions box and clicking on **Finalise Courses** and if necessary, **Invoice and Payment**.
5. Re **Payment**: You can use PayPal to pay online using your PayPal account or your credit card. Alternatively, you can print two copies of your invoice and bring them to the Silver Grove office where you can pay by EFTPOS (our preferred method), cheque made out to U3A Nunawading Inc., or cash (correct money would be appreciated). Go to the bottom of Member Details to find the Invoice button and click to open.

RE-ENROLLING AT THE SILVER GROVE OFFICE

The Office will be open for enrolments from 9.00am – 3.30pm from Monday 27 November – Friday 1 December. The membership fee for 2018 is \$75 and there is no fee for Computer Classes or Summer School, unless you are going on an excursion which has to be pre-paid. You can pay at the office by EFTPOS (our preferred method), cheque made out to U3A Nunawading Inc., or by cash (correct money would be appreciated).

You need to complete a 2018 Re-enrolment Form before you see one of our volunteers. Forms will be posted to members without email addresses and available in the office and online to download from our website from Monday 13 November. Please remember that classes for this year end on Friday 24 November, so there will be no classes during enrolment. You can enrol online after the office closes on 1 December or during Summer School (*see page 3 for dates*).

PLEASE NOTE:

Restricted Classes: *Some classes have a restriction on them due to high demand. Therefore, you will only be able to enrol in one **Restricted** class within a Course Group. These classes are marked with an **R** in the course code. For example, you could enrol in one EXER class and one HUMR class.*

Zero Enrolment Classes: *If you enrol in a class that shows a class maximum enrolment as One, you will be waitlisted initially because Leaders of these classes have indicated that a certain skill level is required. You will be advised by email if you have been accepted.*

Our Fed Square excursion

WOW – what a hectic day! Weather was fantastic and a large crowd of people in attendance. We started the day with a couple of minor hiccups, but were operational within a relatively quick timeframe. Big thank you to Lindsay for assisting the “first timers” to set up the marquee. We had a prime position directly opposite the performance area. At different times of the day the marquee resembled a crowded railway carriage with people waiting for their allocated performance time. There were also ladies from the Tatting classes, Sugar Craft and four players of Mah Jong (I couldn't work out who was winning). Then it was Nunawading's turn to perform. I was unable to hear the opening Choir act in the Deakin Edge theatre, but several members had listened and said they sang convincingly.

Next up was Paulina and the “Zumba All Stars”. Not only was the crowd bopping, but a large number joined the throng when requested. This almost doubled the number of starting participants.

Line dancing was something I had always thought was known as “boot scooting” but has completely evolved into other music genres. The really beautifully attired ladies of the Philippines Cultural Dance group did a lovely short set. Last

but not least were the Fit and Active group demonstrating a Tabata routine.

All in all, a good day for Nunawading U3A. I need to congratulate and thank all the performers and craft groups for giving up their weekend time. I want to thank the members who had volunteered their time to assist in the marquee, particularly a couple who stayed the entire day.

Frank Baseden

We spring into action for

Whitehorse

IT was a pleasure to organise U3A Nunawading's marquee for the Whitehorse Spring Festival this year. A crowd of 20 000 people was anticipated. Stall-holders began bustling around setting up their marquees at 8am, with the official launch by the mayor at 10am. An absolutely glorious sunny spring day put everyone in a festive mood.

We had been asked by the Council to arrange activities to engage the general public and the U3A Nunawading stall had a range of captivating activities throughout the day.

From 10–11am four people demonstrated how to play Mah Jong while our instructor stood by to answer questions from the public. This fascinating game played on beautiful tiles drew lots of interest from passers-by.

This was followed by demonstrations of origami by

four presenters who displayed their skills from 11am–2pm. They also ran a free lucky draw every 20 minutes with prizes of beautiful paper-craft that they had created.

Following their display five people demonstrated the exquisite art of sugar-craft. People were able to have a go at making small sugared roses which could be used to decorate cakes.

In the last hour of the day, our chess teacher instantly galvanised interest from passers-by from the moment he set up his chess boards and soon several lively matches were in progress.

Between all of these demonstrations, the U3A Nunawading dancers were coming and going between performances

and costume changes.

It was a fabulous day of frenetic activity and time passed very quickly.

I was conscious at the end of the day of how fortunate we are at U3A Nunawading to have such a fabulous bunch of enthusiastic members willing to showcase some of the many innovative classes we conduct.

Archie's Photo Hints

SOME ways to make your photo more palatable:

It is not necessary to have a top notch camera to take beautiful photos. Below are some basic hints for members using point and shoot cameras.

Steady Hands

Support and hold the camera comfortably, keeping your fingers off the front of the lens then point it at the target. (Try not to drink too much before taking the photo.)

Focus

After pointing your camera at the object you wish to take a picture of, gently press the shutter button half way, wait a little before pressing all the way home. Pressing half way allow the camera to focus and get a sharper image.

Centring Everything

Centring you image has a similar appearance to a passport photo. It is alright but placing your target slightly off-centre often adds interest to your photo. Similarly

group photos are classically lined up (like a firing squad) which is dull and uninteresting. Add some interest to it.

Cutting Subject Off

Care should be taken when taking photos with people. Ensure you do not crop parts of the human anatomy in the wrong places. Chopping off part of the head with intention can be powerful. Chopping hands and feet at the wrong places can look disastrous.

MARJ SMITH

LONGSTANDING U3A

Nunawading members were saddened to learn of the passing of Marj Smith. Marj was one of our earliest members who served on the Committee of Management from 1995 until 1999 and was Secretary from 1993 to 1994.

Marj began her involvement with U3A Nunawading when she joined the History and Appreciation of Art and other classes which were

then being held in a house at 399 Whitehorse Road. She was an integral part of the next move to Central Road and later to Silver Grove. Marj thoroughly enjoyed her role as Leader of History and Appreciation of Art from 2002 to 2010 and organised many excursions to metropolitan and regional art galleries. Marj also enjoyed her travels with the group to interstate galleries and exhibitions and was always happy to share her large collection of art books and her vast knowledge of Art History. Condolences are extended to her family.

Computer Course Descriptions Term 1, 2018

12 February to 31 March (7 weeks)

There are no Computer Course fees but members are requested to advise the main office if they are unable to attend a course so that the Course Leader can be informed and the next person on the wait list can be offered a place.

18COM001 THE NBN IS COMING WHAT SHOULD I DO (A)
Monday 10.00 to 12.00 12 February

Graeme Hilson

18COM003 THE NBN IS COMING WHAT SHOULD I DO (B)
Monday 10.00 to 12.00 26 March

Graeme Hilson

The NBN is being rolled out throughout Australia and we will all need to connect up at some stage. This 2-hour session will cover the issues you need to know about BEFORE signing up to the NBN.

18COM005 WHAT'S NEW IN WINDOWS 10

Monday 10.00 to 12.00 19 February to 19 March (4 weeks)

Graeme Hilson

Windows 10 Operating System is here and is now supplied with new computers as well as being offered to all PC users on earlier Operating Systems. This class will bring you up to speed, whether you are new to computers or have used the older versions of Windows. The good news is that it is not difficult to learn and by the end of this course you will regard Windows 10 as a familiar friend. **PREREQUISITES:** Should be experienced in using a computer and have good keyboard and mouse skills. **BYO (USB) memory stick**

18COM007 YOUR IPAD AS A USEFUL TRAVELLING COMPANION

Monday 1.00 to 2.30 12 February to 26 February (3 weeks)

Wayne Henry

This course will outline a number of tips and tricks to make the most of your iPad when travelling overseas. Use it to find and book accommodation and make travel arrangements on the go. Check the weather, keep track of your expenditure, and use it as a map or as a language translator. Keep in touch with family and friends back home. This course will also cover security and tips on how to keep your information safe in a potentially hostile environment.

PREREQUISITES: The course is based on using an iPad, however, most of the information is potentially relevant for other brands of tablets (such as Samsung, HTC, Bauhn etc). Participants must have a fully charged device, must be familiar with how it works and be competent in navigating around it and downloading and using Apps.

18COM009 KEEPING UP TO DATE WITH YOUR COMPUTER

Monday 1.00 to 3.00 5 March to 26 March (3 weeks)

Wayne Henry

Based on Windows 10 and Microsoft Word this course will keep you up-to-date with your PC and its associated Applications. We will look at what goes on inside the computer and how it manipulates and stores information. We will demystify some of the jargon, explain unfamiliar terms and explore the difference between "Drives", "Directories", "Folders", "Applications" and "Files". We will use the power of MS Word to create interesting documents through the use of templates, the addition of graphics (e.g., photographs) and the powerful but easy-to-use formatting and editing tools of Word. We will access and incorporate information from a variety of resources including the Internet and, finally, save our work to an appropriate location or share it with others.

PREREQUISITES: Should have experience in using your computer and be familiar with your keyboard and mouse. BYO (USB) memory stick.

18COM011 PHOTO EDITING

Tuesday 10.00 to 12.00 13 February to 13 March (5 weeks)

Archie Kaan

Come and learn how to enhance, brighten and bring out the best in your photographs with freely available software. Class members are encouraged to bring their photos on a USB memory stick and learn the art of photo editing.

PREREQUISITES: Should be experienced in using a computer with good keyboard and mouse skills. BYO (USB) memory stick.

18COM013 PRACTICAL IPHONE

Tuesday 1.00 to 3.00 13 February to 27 March (7 weeks) Helen Smith

Make your iPhone a practical and fun tool. Learn to manage your mobile data usage as well as how to share photos, use mail and messaging, manage your contacts and browse the Internet. Tweak the settings to personalise your phone to your own style of working. Explore some of the extensive range of built-in and third party applications that can make your iPhone an indispensable tool and a source of fun as well.

PREREQUISITES: Suitable for beginner and intermediate users. Appropriate for any iPhone but iPhone 5s and later are preferred as they can run the latest operating system (iOS 11). You must have an Apple ID and password and ensure your iPhone's operating system is up to date. Check this in the Settings App/General/Software Update

18COM015 RESEARCHING SHARES ON THE INTERNET (BEGINNERS)

Wednesday 10.00 to 12.00 14 February to 28 March (7 weeks) Eric Kratzer

Hands on for beginners. Learn to research, find important Company data, interpret charts & the difference between fundamental & technical interpretations. Use a charting program to monitor your share trading. Does not include financial advice or recommendations for investing your savings. This is NOT a course for those experienced in researching shares on the Internet.

PREREQUISITES: Ability to efficiently use keyboard & mouse together with experience in using the Internet.

18COM017 GETTING TO KNOW YOUR IPAD

Wednesday 1.00 to 3.00 14 February to 27 March (7 weeks) Tony Widdows

This is a BEGINNERS level course for those who would like to learn the main functions of their iPad as well as some handy tips and tricks. Your iPad can be a useful tool for you to enjoy the endless possibilities of the digital world. This course will be conducted using iOS11, which was released in September 2017.

PREREQUISITES: Bring your own, fully charged iPad or iPad mini and ensure that its operating system (iOS11) is up to date before the first class. Suitable for iPad Air, iPad mini 2 or later. Versions of the iPad made before 2013 will not work with iOS11 and are therefore not suitable for this class. Please check this before enrolling.

18COM019 EXCEL FUNDAMENTALS

Thursday 1.00 to 3.00 15 February to 22 March (6 weeks) Graeme Hilson

Would you like to learn the fundamental principles of Excel or brush-up on what you have forgotten? Whilst Excel is a useful tool for cataloguing such things as books, DVDs and photographs, managing a share portfolio, creating lists and planning travel, this course will focus not only on these features but also on the mathematical capabilities of Excel.

PREREQUISITES: Should be experienced in using a computer and have good keyboard and mouse skills. BYO (USB) memory stick

18COM021 TIPS and TRICKS FOR YOUR IPAD

Friday 10.00 to 12.00 16 February to 2 March (3 weeks) Michele Berner

Got an iPad? Want it to do more, work more efficiently and generally make your life better? This class will show you 50+ top tips to get the most out of your iPad. Best for iPads running iOS11 but if you are not you will still find some tips that will help you enjoy many more features of your device.

PREREQUISITES: Students should either have completed a Beginner's class at U3A or be equally familiar with how to use the main functions of their iPad.

18COM023 MANAGING YOUR PHOTOS WITH GOOGLE PHOTOS

Friday 10.00 to 12.00 9 March to 23 March (3 weeks) Michele Berner

Learn how to use Google Photos to back-up, edit, share, sync, sort and organise your photos from computers, smartphones and tablets. Learn how to edit and enhance your photos using free apps from both the Apple Store and Google Play Store.

PREREQUISITES: You may use the desktop PCs at the Computer Centre, or bring your fully charged smartphone, tablet or iPad depending on how you capture your photos. If yours is an Apple device it should be running the latest operating system (iOS 11).

18COM029 MANAGE YOUR DIGITAL LEGACY

Thursday 10.00 to 12.00 15 February

Helen Smith

What happens to all your digital files, photos, emails, online accounts etc. when you die or are unable to handle them personally? There are tools to handle your personal and financial estate such as your Will, but these don't address your digital assets. This session will help you plan your digital estate.

PREREQUISITES: Suitable for everyone who has digital assets to pass on.

18COM031 CREATE SAFE AND MEMORABLE PASSWORDS

Thursday 10.00 to 12.00 1 March

Helen Smith

Every website you sign up to requires a password, whether you connect using your phone, tablet or computer. You know that you should use a different password for each but it's so hard to think of good passwords and even harder to remember them! This session will help you appreciate the risks involved with poor passwords and give you some strategies for creating safe and memorable ones without too much effort.

PREREQUISITES: Suitable for everyone who connects online by computer, smartphone and/or tablet.

18COM033 KEEP SAFE ON-LINE

Thursday 10.00 to 12.00 15 March

Helen Smith

The internet is a great source of information, shopping and banking. But how do you protect yourself against online risks, such as phishing and hacking scams, malware and adware? What precautions should you take to ensure your privacy and safety? How best to pay for online shopping? How can you tell if information on the Internet is trustworthy? This course will help you understand how to interact safely online.

PREREQUISITES: Suitable for everyone who connects online by computer, smartphone and/or tablet.

QUESTIONS AND ANSWERS

18COM025 Questions and Answers (Q&A)

1 Feb, 15 Feb, 1 March and 15 March Thursdays 3.00 to 4.00

Graeme Hilson

Have you forgotten something? Do you need a reminder? Do you need help? Your Computer questions will be answered. There is no need to enrol for this session.

18COM027 iPhone and iPad Issues

21 February, 7 March and 21 March Wednesdays 3.00 to 4.00

Tony Widdows

For iPhone and iPad users who are looking for some help. Bring your (fully charged) iPhone or iPad and we'll talk through the issue. Don't forget to bring relevant passwords (e.g., Apple ID, email account). All attending can benefit from how others overcome problems. This is free and it is not necessary to enrol prior to attending.

Online scams and scares

YOU'VE probably heard about a number of online scares recently: logins stolen from Yahoo, 'secure' wifi that isn't so secure after all, email scams that are more sophisticated by the day. Don't let these scares put you off the benefits of being online. If you're alert and aware you can avoid the problems.

We've put some information about these issues on the U3A Nunawading website.

Go to <https://u3anunawading.com.au/notice-board/category/30-online-safety> to read about:

- the wifi KRACK scare
- phishing scams.
